Jane announced she is stepping down after 4 years as President. There is a transition plan for a new President with George agreeing to serve as interim President until May 2026 at the Spring meeting when we will announce and approve the new president. George was president in the 90's for 6 years and is happy to discuss any issues with anyone. Put your name in if your interested in running for president.

Sharlene will be a Volunteer member . Motion to accept Sharlene - Jane and Tim. Jane will not stay on the board but will be available any time needed, just not in an official capacity,

Rhonda if we have enough members then why are we doing the interim and not filling the positions. Jane reminded everyone that these are volunteer positions and we are extremely grateful for the contribution of all of our volunteer board members. Each bring their own unique and important set of skills. The president role is one that is, like all of the positions, voluntary. We will be making efforts to find the right person who wishes to step into the role for the 2 year term.

George also contributed to the conversation that we do not pressure people to take on volunteer roles. Maggie also added a reminder that we are all volunteers and we all work together to use our skills to enrich this community , we pitch in to do everything we need to do regardless of our positions. We have great community service.

Motion to adjourn - Tim & Andrea
