## Message from the Executive

Greeting from your MBA Executives. We welcome our full time residents as well as our seasonal residents to enjoy another great year on the Beach.

We hope to see our M.P.P Scott Davidson at our upcoming meeting. Please be sure to attend and find out what is happening to our Lake and what we can do to keep it healthy so that we can continue to enjoy it for years to come.

### Fire Permits & Fireworks in Georgia

Did you know that Georgina has an open-air burning by-law? And, did you know that open-air burning requires a permit from the fire chief? For more information on burn permits and whether or not you require one, visit [georgina.ca. http://ow.ly/EDvo50p6PFe](http://ow.ly/EDvo50p6PFe)

Subject to certain conditions, fireworks may be discharged on the day preceding the day of and the day following Victoria Day and Canada Day. For more informations see the towns Bylaws.

Please remember to always be considerate.

Beach Clean Up was the end of April and was a huge success. We filled up approximately 40 bags in 4 hours. We will continue to maintain and protect our community and encourage you to do the same.

### *Paying your dues:*

Did you know you can pay your dues through Interac E-Transfer? To avoid that unexpected knock on your screen door please feel free to send us your dues by simply sending an interact payment of \$60 to [rl3wood@hotmail.com](mailto:rl3wood@hotmail.com). The security question should be your street address and send us your name clearly so we can identify you. Please feel free to drop off your dues at either Rhonda at 12 Blue Heron or Maria at 6 Blue Heron Drive.

Have a Safe and Enjoyable Summer!!
