### Welcome Note

We're delighted to once again welcome all cottagers back to McRae Beach for another exciting summer season. We hope the past year has been kind to you and that everyone has remained safe and well.

We're looking forward to a fantastic summer and can't wait to see you out and about—both on the street and enjoying the water. This year, we hope to create more casual opportunities for everyone to connect throughout the season. We'd also love to hear any ideas you may have!

If you're interested in becoming part of the Association, please feel free to reach out to us by email.

Thank you to those who have already paid their Dues this year. If you haven't had a chance please send to [lubkeb@gmail.com](mailto:lubkeb@gmail.com) or drop off at any executives house. Feel free to email back and we can arrange for a pick-up. We appreciate it.

**Hope to see you at the Community clean up!**  
**We meet at the mailbox area and head towards 48 at 10am on Sat April 25th. Garbage bags & vinyl gloves provided by Town of Georgina!**

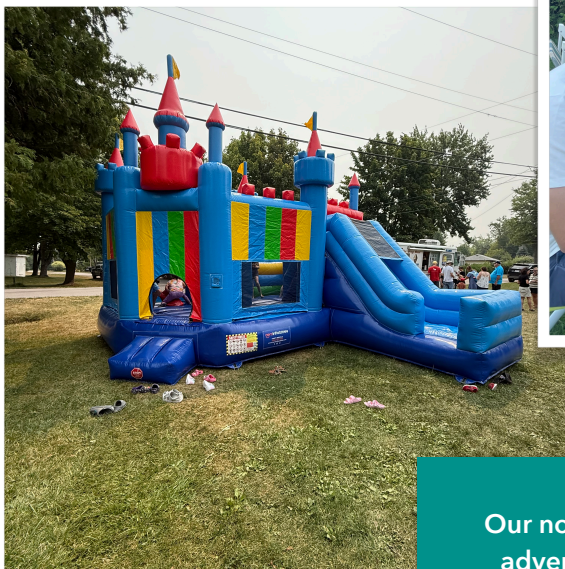

### Winter

This past winter brought challenging conditions, and the ice buildup along the lake shore this April was especially significant. Many cottagers experienced damage, with docks and boathouses impacted by the heavy ice accumulation. It's been a tough start to the season for some, but as always, the community's resilience shines through. Here's hoping for a quick warm-up so we can get an early start on summer activities—especially the cherished tradition of putting the docks back in, a true sign that the season is underway.

**Field Day 2026!!!**

**Bingo Nights at 1st Beach**
