George : Thanks the executive.

Minutes from last spring meeting, approved by Tim and second by Cathy

Financials: Lubke

Our main expenses are really park maintenance and the insurance. We didn't have the field day this year. and we didn't sell any hoodies this year, So we'll try again next year, different style.

Right now we have \$4,550 Everything has been paid so far.

One more, probably two more cuttings of the lawns.

The big change is, last year, we had 100 members pay. This year, we only had 78. Significantly lower. If you haven't had a chance to pay your dues please. The primary purpose of the \$60 is to maintain the two beaches.

Causeway : There are no updates on the causeway. Lee Simpson, who's running the show for the Lake Simcoe Association plans to take the government to court because they haven't done an environmental assessment. So if we don't hear anything, it might be a good thing.

Go to the website for GIFL, when you will find out if they're starting. Lee Simpson will update us in any case.

Social report: Field day was rained out.

Bingo nights was a success thanks to Pat's Bingo nights. Acknowledges Pat Roughley. Thanks Chris from California !

After this meeting, there will be a corn roast and hot dogs.

A guess the jelly bean game as well for the kids ! Pop and water for all.

Donations are accepted if interested.

Ice cream truck will be here at 12 noon please enjoy. Bingo tonight is at 6 o'clock.

Any questions ? Questions : who cleaned up the second park ?

George explains how he went down with 2 of his sons from Calgary.

His 3 granddaughters did a lot of work cleaning up. Only took about eight hours, but a lot of hands, and we took all the brush.

George explains how he needs to clean out the stumps that are still sticking up but that's a fall job.

Question: When are they doing our South McRae roads.

It was heard that they are starting at the end of September.

Question : I wasn't called for the beach cleanup.

Everyone was emailed about it. It is a separate event from the MBA that Maria hosts but we use the MBA info to invite all . Everyone is welcome.

George close a meeting. Motion to close the meeting. Maggie Thompson

And a second to close? Tim Thompson.

Thank you. Enjoy the afternoon .
